## How Does Scalar Field Work for Your Body?

Spooky2 Scalar

### Philosophy of Understanding Diseases

Throughout our bodies, a dynamic river of energy channels courses from the top of our heads down to the tips of our toes. This river, known as Chi or Prana, is the driving life force of our body – fuelin physically, emotionally, mentally, and spiritually.

Help

Picture this energy system as a complex, flowing network, keeping us vibrant and thriving. However, just like a river can be blocked by fallen trees or debris, our energetic pathways or chakras can become obstructed too. When this happens, a domino effect begins: the local metabolism slows down, the body structure becomes less energetic, and our ability to remove chemical waste diminishes. The toxic build-up further exacerbates the blockage, creating a vicious cycle.

As this cycle repeats, the energy level in the affected area drops below a critical threshold, and the onset of a chronic illness looms. If left unchecked, the situation will worsen over time, much like a river clogged by debris after a storm.

The task is to clear these energetic blockages, ensuring the smooth flow of our vital life force, just like removing a fallen tree from the river, and restoring its natural course. By doing so, we can maintain our overall well-being and prevent the development of chronic illnesses.

## Open and Remove Blockages in the Scalar Field

Our body, in its innate wisdom, retains the memory of healthy Chi flow through cellular communication. However, blockages can disrupt this harmonious dialogue and hinder our well-being.

Imagine cells as an orchestra, using scalar fields as their sheet music to communicate. When blockages interfere with this natural symphony, scalar fields reintroduce the energy needed to restore communication, bringing the body's defenses to bear on the affected cells.

eliminate blockages. With these obstructions removed, our body reestablishes the flow of Chi, returning to its vibrant, healthy state—much like a river resuming its course after the fallen tree is cleared.

An ancient proverb in traditional Chinese medicine states, *“Where there is free flow, there is no pain or disease.”*

This wisdom reminds us of the importance of maintaining unimpeded energy flow within our body, ring optimal health and harmony.

## Harness the Power of Scalar Field with Spooky2 Scalar Technology

Spooky2 Scalar offers three different methods of transmitting healing scalar energy – **Pure Scalar**, **Molecular Scalar**, and **Rife Scalar** – making it **the first scalar equipment** to offer such a range of options. This means you can choose the method that best suits your needs and preferences.

## Pure Scalar

With the Pure Scalar method, applying healing scalar energy is simple and easy. Once you've tuned Spooky2 Scalar, you just need to sit or lie between the transmitter and receiver. Pure scalar energy flows between the lids, creating a protective field around you.

REVIEWERS  
★ experimented to measure the impact of pure scalar energy on the human energy field. Five participants were placed in the scalar field for 40 minutes, and their energy fields were measured to analyze their energetic homeostasis. The results were astounding – all participants showed significant improvement in their energy levels, and their energy fields entered into a well-balanced state. Additionally, anxiety levels were greatly reduced in all participants. This demonstrates the incredible power of pure scalar energy in promoting overall well-being and improving the human energy field.

## Molecular Scalar

Molecular Scalar is a powerful way to target specific health concerns using Spooky2 Scalar. By placing a substance on the receiver coil, you can further enhance the scalar signal and harness the healing properties of the substance. This can be particularly useful for those dealing with specific health issues, as the targeted delivery of the curative substance can help to improve overall health and well-being. From essential oils to pharmaceuticals, the options for what substances to use are virtually limitless. With Spooky2 Scalar's Molecular Scalar, you can take control of your health and customize your treatment to suit your individual needs.

For instance, you can place a few drops of lavender oil on the receiver coil, and the molecular scalar energy will be enhanced by the oil's unique properties. Lavender oil is known for its calming and relaxing effects, making it a great choice for clearing your energy field of stress and tension.

The molecular scalar energy from the Spooky2 Scalar and the lavender oil work together to provide a powerful healing experience for your mind and body.
